Thanks Rebecca...if you could cc me on what you're sending to the staff in Colorado that would be helpful. I understand the Lake Powell (which borders Congressman Stewart's District) should get impact Wednesday. Any information or updates would be helpful.

Thanks,

Hi all,

I'm writing to see how I can meet your information needs on the Gold King Mine Release in Silverton, CO, which has affected the Animas River, which confluences with the San Juan River. I am providing regular updates to Congressional staff in Colorado as I receive them. We will also be providing regular conference call updates.

If you'd like to receive updates from me, please let me know how best to meet your needs. I can be reached all weekend either in the office number below or on my cell number below.
